Update

After you make changes to
your details, you must select
the Update button

Change Password

- Enter in new password
- Confirm new password
- Select the change button to effect changes

The screenshot shows a web browser window titled "Change Password". The page content includes a user icon and the heading "Change Your Password". Below this, there is a section for "Password controls" with the following requirements:

- Maximum length characters is not restricted
- Minimum length characters allowed is 4 characters
- Uppercase letters
- Lowercase letters
- At least one digit
- At least one special character

There are two input fields: "New password" and "Confirm new password". At the bottom of the form are two buttons: "Change" and "Cancel". The browser's address bar shows "ChangePassword.aspx".

Need Help?

If you require assistance, please contact our 24/7 call centre on 0861 MYRAND (69 7263). Alternatively contact your Client Relations Executive directly.
