DETER & DEFLECT ARMED ATTACKS

Our cash vaults have been vigorously tested on numerous occasions over the past few years by determined criminals using every kind of tool from explosives to sledge hammers. Our Connectr® range of cash vaults offer high deterrent value, provide the level of defense necessary to permanently discourage attempts at brute-force attacks and significantly reduce the possibility of perpetration of violent crime against business owners.

SERVICE SUPPORT

We are not just about leading edge technology and payment systems. Our customer support call centre operates 24/7 and 365 days a year. Over 100 qualified technicians nationwide provide unlimited in-field technical support, advice and training to our customers.
