- Biometric user identification
- Host to host automated reconciliation
- Bar code bag identification
- Dual SIM GSM/GPRS modem (communication)

## DETER, DEFLECT AND DEFEND ARMED ATTACKS

Cash Connect's technology has been vigorously tested and proven to be the most effective deterrent to cash crime in South Africa's retail market. Over the past eleven years, the number of attacks in pursuit of cash against our clients has annually amounted to less than 2% of our base; And 87% of these attacks were successfully defended. Let us protect your cash, your staff and your customers.

## SERVICE SUPPORT

With our customer-focussed approach, we will support you every step of the way.

- Over 150 certified technicians operating out of 26 points of presence, guaranteeing fast and reliable customer support.
- A call centre manned by skilled support agents operating 24 hours, seven days a week.
- Specialist business consultants capable of designing solutions to meet every specific need.
- A team of account managers who are dedicated to the ongoing care and support of our customers.
